MAKING THE WHOLE PROCESS EASIER

Making an insurance claim can be a stressful time, especially when damage to property is involved. WA Insurance Builders take the stress out of this process - connecting insurers and loss adjusters with skilled tradespeople, certified to the highest industry standards. No matter the size or nature of the job, WA Insurance Builders have the people and the resources to deliver premium quality service and get premium quality results.

CONNECTING THE RIGHT PEOPLE

As the name suggests, WA Insurance Builders specialise in dealing directly with insurers – offering a diverse range of services, solutions and support for insurance companies and loss adjusters. We have the local knowledge and contacts to resolve each claim quickly by selecting the right team for each job. Just as we have established our reputation through years of experience and results, so too have all of our tradespeople, contractors and suppliers. That's why we're the quality assured building specialists!

ROUND THE CLOCK EMERGENCY SUPPORT

Accidents happen when you least expect them, so we provide help whenever it is needed - offering state-wide 24/7 support 365 days a year for commercial and residential emergencies. Our emphasis is on providing fast and efficient emergency solutions for any nature of repair. We understand that emergencies require the highest level of care and understanding, so we go the extra mile to ensure our customers' needs are being met immediately.

ALL TYPES OF DAMAGE REPAIR

Damage can be a complete disruption to residential homes and commercial properties, costing time and money the longer it is left unrepaired. Our team of quality-assured tradespeople specialise in accidents and damage claims, covering all types of damage: Storm damage, roof damage, impact damage, malicious damage, break in damage and fire damage.

MAJOR WORKS & LARGE LOSS

Recognising that not all claims are the same, claims exceeding \$50,000 are categorised as 'major loss', which require more time, detailed care and expert management. WA Insurance Builders has a dedicated major loss team to manage all claims exceeding \$50,000. Our team's expertise and knowledge allows completion of major loss claims in a timely manner and on budget.

RESIDENTIAL SERVICES

Providing efficient, expert insurance building repairs, maintenance and home renovations on all residential properties. All claims under \$10,000 are fast-tracked to help provide a smooth and quick process whilst ensuring minimal disruption when working on your property. Claims between \$10,000 to \$50,000 are project managed by a team of highly trained and skilled supervisors.

COMMERCIAL SERVICES

WA Insurance Builders implements an extensive building and maintenance service, both privately and within the insurance industry. Our dedicated team of estimators, project managers, architects and highly-skilled tradesmen ensure all repairs are completed on time and within budget.

AFTER HOURS EMERGENCIES

WA Insurance Builders offer state-wide 24/7 support 365 days a year for commercial and residential emergencies. Our team have over 20 years experience in responding to all types of emergency situations and all types of damage – including catastrophes and major loss events.
